WELCOME FROM PIAA DISTRICT III CHAIR DOUG BOHANNON

Welcome to the 2021-2022 District III M&T Bank Fall Championship Series.

I am pleased to enter my third school year as PIAA District III Chairman.

It is always fulfilling to work for the benefit of our schools' student-athletes. We have a great team of dedicated people serving on the District III Committee, and a large number of equally dedicated people throughout the district's 10-county jurisdiction who serve as game managers and support staff for our Championships.

After a very challenging 2020-2021 year that altered our championship format, we are delighted to be returning to full fields for our championship brackets this fall. Reflecting on last year, I am very proud of how our schools and students responded to the challenges of the pandemic, and I am grateful for the opportunities we were able to provide for them to compete in meaningful, post-season contests.

District III is looking forward to having families, friends, classmates and community supporters back in the stands to give our students the full gameday experience they richly deserve. We should not take for granted the spirit of competition, sportsmanship and pure enjoyment these games offer all of us.

The Committee appreciates the support it receives from its longstanding partnerships. We are entering our 11th year with M&T Bank as the primary sponsor of our championship events. We have also partnered with The Peyton Walker Foundation to increase heart health and Sudden Cardiac Arrest awareness and with River Rock Academy as a supporting partner.

Lastly, we would like to recognize the commitment and contributions made by our game officials. Simply put, we could not play the games without them. Anyone who might be interested in becoming an official is encouraged to go to the PIAA website for more information.

Thank you for supporting our student-athletes in District III and ENJOY THE GAME!

Douglas M. Bohannon

2022 DISTRICT III OFFICIAL PROGRAM

PIAA District III

The state of Pennsylvania is divided in 12 geographic districts for PIAA administrative purposes. Each district has a district committee elected by member schools from within that District. Every committee elects a chairperson who becomes that District's representative on the PIAA Board of Directors. District III has an additional representative on the State Board based on the number of members schools. District I and District XII also have an additional representative; District VII has two additional representatives.

District III encompasses the counties of Adams, Berks, Cumberland, Dauphin, Franklin, Juniata, Lancaster, Lebanon, Perry and York. Within this 10 county-area are 125 member senior high schools.

These member schools elect their District Committee to oversee various interscholastic programs within the District. While the District Committee must follow all PIAA rules and regulations, each district has autonomy in administering athletic contests prior to the PIAA interdistrict level.

District III is home to the following leagues Berks County Interscholastic Athletic Association, Christian Commonwealth Athletic Conference, Lancaster-Lebanon League, Mid-Penn Conference, Tri-Valley League and York-Adams Interscholastic Athletic Association. A small number of schools retain independent status.

The voting rules of the District mandate that all leagues shall have at least one representative on the Committee as a voting member. These representatives are elected by the members schools at an Annual Meeting held each April. In addition, a representative from the Pennsylvania School Board Association, a male officials' representative, a female officials' representative, a male and female parents' representative and a girls athletics representative stand as voting members of the District III committee. There are 16 voting members plus seven non-voting members on the Committee.

The District Committee develops, organizes and directs 26 District III championships (13 for boys, 13 for girls) in 16 different sports. Broken down by gender and class, the District conducts 71 team championships and 30 individual championships. Among the 30 individual championships, the District crowns 168 champions each year.

These championships are a prerequisite to qualification for PIAA championships. In the fall, these include boys and girls cross country, field hockey, boys and girls golf, football, boys and girls soccer, girls tennis and girls volleyball. In the winter, championships conducted are boys and girls basketball, boys and girls swimming & diving, wrestling and competitive spirit. While there is no PIAA championship for bowling, District III does conduct an individual championship for boys and girls bowling. The spring championships are baseball, boys and girls lacrosse, softball, boys and girls outdoor track and field, boys tennis and boys volleyball.

The complete cost of funding these championships comes from the spectator ticket admission fees at District III playoff events. This money is used to fund sports at which no admission fee is charged and where the cost exceeds the income, insurance and administrative costs. At the end of each school year, surplus funds are returned to the schools that participated in the sports that created the surplus. Schools do not pay District dues or provide money to the District in any form with the exception of an entry fee in golf, tennis, competitive spirit and bowling.

OUR MISSION

- ◆ Organize, develop and direct athletic programs that will promote the health and physical welfare of all participants, both male and female.
- ◆ Foster good sportsmanship and safeguard the educational values of interscholastic athletics.
- ◆ Develop and enforce rules adopted by the member schools that regulate interscholastic athletic competition.
- ◆ Organize and conduct a program of District III championship tournaments in various fields of athletic competition.

2022 DISTRICT III OFFICIAL PROGRAM

ABOUT DISTRICT III POWER RANKING

The District III power ranking is a combination of the team's weighted winning percentage (TWWP) and their opponents' weighted winning percentage (OWWP). The ranking will be the sum of 55 percent of the team's TWWP and 45 percent of the team's OWWP. To be eligible for the tournament a team must have completed a minimum of eight (8) dual matches against PIAA opponents by the Power Ranking Deadline of Saturday, January 29, 2022. Team competitions wrestled to determine League Championships and not included in the school's maximum number of regular season contests (22) are not included to determine the school's final power ranking.

CALCULATING TEAM WEIGHTED WINNING PERCENTAGE (TWWP)

The TWWP is based on the results of all games that a team plays against PIAA opponents. It values wins and losses by the classification of the opponent. The TWWP is calculated by dividing the WEIGHTED WIN VALUE by the sum of the WEIGHTED WIN VALUE and WEIGHTED LOSS VALUE.

2 CLASS SYSTEM (Wrestling)

WEIGHTED WIN - LOSS VALUES

CLASS	WIN	LOSS
3A	1.1	0.9
2A	0.9	1.1

All games against PIAA opponents will count in calculating a team's TWWP. Games against NON-PIAA opponents are not considered for power ranking calculations.

EXAMPLE

Game	Class	Result	WW	WL
1	3A	W	1.1	
2	3A	W	1.1	
3	2A	L		1.1
4	3A	L		0.9
5	3A	W	1.1	
6	2A (Non-D3)	W	0.9	
7	2A	L		1.1
8	3A	L		0.9
9	Non-PIAA	L		0
10	3A	W	1.1	
TOTALS		5-5	5.3	4.0
TWWP = 5.3 / (5.3+4.0) = .569892				

CALCULATING OPPONENTS' WEIGHTED WINNING PERCENTAGE (OWWP)

The OWWP is calculated by totaling the WEIGHTED WIN VALUES and WEIGHTED LOSS VALUES of all of the team's opponents; then, dividing the total of the WEIGHTED WIN VALUES by the sum of the totals of the WEIGHTED WIN VALUES and the WEIGHTED LOSS VALUES.

EXAMPLE

Game	Class	Result	WW	WL
1	3A	W	4.2	6.4
2	3A	W	6.3	2.6
3	2A	L	8.6	1.1
4	3A	L	7.4	1.8
5	3A	W	1.1	8.8
6	2A (Non-D3)	W	4.5	5.1
7	2A	L	10.4	1.6
8	3A	L	6.3	2.4
9	Non-PIAA	L		
10	3A	W	6.4	3.4
TOTALS		5-5	55.2	33.2
TWWP = 55.2 / (55.2+33.20) = .6244344				

Non-PIAA opponents will not be included in calculating the OWWP. If you play your opponent more than once, their totals will be included for each contest played.

CALCULATING POWER RANKING

The final power ranking is the sum of 55% of the TWWP and 45% of the OWWP. This number cannot be over 1.000. From the examples above:

$$\text{TWWP} = 0.569892 * 0.55 = 0.313441$$

$$\text{OWWP} = 0.6244344 * 0.45 = 0.2809954$$

TIE BREAKING CRITERIA

#1 – Head to Head	#6 – Unweighted Winning Percentage of Regular Season Opponents
#2 – Best TWWP	#7 – Lowest Points/Goals Yielded Average Against Common Opponents
#3 – Unweighted Winning Percentage against common Regular Season	#8 – Lowest Points/Goals Yielded Average Against All Opponents
#4 – Unweighted Winning Percentage against Regular Season	#9 – Coin Toss
#5 – Unweighted Winning Percentage of Common Regular Season

2022 DISTRICT III OFFICIAL PROGRAM

STUDENT AWARDS

District III is proud to recognize students for achievements in athletics, scholarship and sportsmanship as well as team champions and runners-up in sports that have team competition.

Gold and silver medals are presented to each member of first and second place teams in sports that offer a team championship. Medals are also awarded to top placing athletes in individual competition; the numbers vary by sport. Team trophies are given to first and second place teams in all team tournaments.

Through the E. Jerry Brooks Academic All-Star award and the Fackler-Hower Sportsmanship Award, the District honors individual students for exemplary performance in these areas.

Jerry Brooks

- ◆ The **E. Jerry Brooks Academic Excellence Medals** are awarded to student-athletes who have a minimum GPA of 3.8, participated in at least two varsity sports their senior year, earned a minimum of three varsity letters during their high school career, possess good citizenship and sportsmanship, and are recommended by the school's coaches and athletic director.

- ◆ The **Fackler-Hower Sportsmanship Medals** are awarded to one senior female and one senior male student-athlete at each District III high school. The winners are selected for demonstrating the most sportsman-like qualities throughout the year. In addition, the student-athletes must possess good citizenship and sportsmanship.

Pete Fackler

Jerry Brooks, Charles "Pete" Fackler and Wendell Hower were long-time members of the District III Committee. Mr. Brooks served the Committee for 18 years, 15 as Chairman. He was also a 15-year member of the State Board of Directors where he served as President and acting PIAA Executive Director. After retiring as principal at Penn Manor High School in 1984, Jerry was named District III's first executive director.

Wendell Hower

Mr. Fackler was a District III committee member for 20 years, 10 as Chairman. He was also a member of the State Board for 10 years. After retiring as principal at Hershey High School, he spent several years at Harrisburg Christian and served as executive director of the Commonwealth Christian Athletic Conference. He continues to serve District III as program coordinator.

Mr. Hower was a member of the District III Committee for 21 years, serving as its Secretary for 16 years. He became executive director from 1998-2019 and also served on the State Board. A long-time educator, he retired after a 29-year tenure as principal at Manheim Township High School.
