List ALL scholarship applicants, their school, league and GPA (4.0 scale) highest to lowest. We will then check to see which wrestlers made districts, and if the coaches have paid their dues, both are scholarship qualifiers. If there are no applications from a League or only one and their should be two, we will award an at large scholarship to the wrestler with the highest GPA who did not qualify as a scholarship winner from their league.

Counselors should Email the scholarship winners to me as soon as possible after the Wednesday before districts.
