SEEDING MEETING PROCEDURE

1. Each wrestler entered will be seeded by their tabulated APB in descending order (highest APB to lowest APB) Wrestlers will then be placed in proper position on the bracket. The winner of all Head to Head matches of adjoining seeds (ie 5&6, 3&2 etc.) will be the higher seed. Seeding the wrestlers will allow for a replacement if one of the wrestlers fails to qualify or withdraws. Additional wrestlers *may not* be added, only substitutes. **ENTRIES ARE CLOSED FOR A WEIGHT CLASS WHEN DECLARED CLOSED BY THE TOURNAMENT DIRECTOR/DESIGNEE.**
2. To be seeded using the average points per bout figure, a wrestler must have wrestled a minimum of:
 - a. 10 bouts for a first or second seed **
 - b. 8 bouts for a third or fourth seed**
 - c. 6 bouts for a fifth or sixth seed**

**The required number of bouts are not needed if an injury prevented competition.
4. Coaches Challenge Procedure
 - a. Initial seeding will be by APB **and** Head to Head if adjoining seeds (ie 5&6, 3&2 etc.) Ask the coaches if there are any adjoining seeds that have wrestled Head to Head this season and move the winner of the head to head to the higher seed. Seeds that are adjoining seeds will be switched before seeding a weight class and are the only head to a head match results that will result in a seeding change.
 - b. Verify APB of each wrestler involved to be accurate.
 - c. Challenges will start with the #1 seed. If there are no challenges - no one can challenge seed #1 later.
 - d. Go to the second seed and follow through all seeds.
 - e. A challenge can move a wrestler **no more than 3 places.**
 - f. Ask the coach of the challenged seed if he accepts the challenge, if he accepts the challenge move the wrestler to the challenged seed and all seeds move down one position, if he does not accept the challenge, allow the two coaches 30 seconds to state their rationale for the challenged seed. Remember the initial seeding uses APB and head to head.
 - g. Both coaches should be excused for a vote.
 - h. Remaining coaches, with a wrestler entered in that weight class, shall vote whether to grant or refuse the challenge.
 - i. Only one challenge per weight class per coach.
 - j. Seeding points for out of state wrestlers must be verified as accurate by the coach who has declared them. All out of state points must be challenged at the seeding meeting.

SUBSTITUTIONS

Substitution is permitted before the start of any tournament. Substitutions are to be for *reason of illness or injury only*. When a substitute is entered in the sectional round, the lower seeds will all move up and the sub will wrestle in the last bracket that was vacated by the movement of the seeds. All substitutions must be made prior to the close of the initial weigh in for that tournament. No substitutions once weigh-ins have been closed. All substitutions must be made with the approval of the wrestling chairman and/or the site director.

INJURY WITHDRAWAL FROM POST SEASON TOURNAMENTS

If a wrestler wants to withdraw from a post season tournament due to injury and return in a later round or the following week:

- a. An onsite doctor, or trainer if a doctor is not on site, **MUST** verify in writing that the wrestler is withdrawing due to an injury.
- b. For the wrestler to reenter the tournament in a later round or the following week, a **doctor's** approval in writing that he can return to competition **MUST** be submitted to the tournament director and approved by him.
